Glandt Forum (3rd Floor), 3205 Walnut Street, Philadelphia

Free Event. Registration required. Space is limited.

Please RSVP to Adebayo Adejare at aadejare@philaenergy.org
by Friday, February, 27th

What is the Energy Salon?

The Philadelphia Energy Authority convenes government agencies, private entities and regional stakeholders quarterly to collaborate looking forward at our collective energy future. As a municipal authority, the PEA provides objective expertise, a neutral ground for candid conversation and technical resources for complex energy discussions.
